

**Kits labelled as hazardous subject to Safety Data Sheet**

| Catalog number       | Kit designation                      |
|----------------------|--------------------------------------|
| 00267                | Asserachrom APA IgG,M                |
| 00266                | Asserachrom APA Screen               |
| 00950                | Asserachrom $\beta$ -TG              |
| 00947                | Asserachrom D-Di                     |
| 00946                | Asserachrom Free Protein S           |
| 00943                | Asserachrom IX:Ag                    |
| 00949                | Asserachrom PAI-1                    |
| 00949US              | Asserachrom PAI-1                    |
| 00951                | Asserachrom PF4                      |
| 00944                | Asserachrom Protein C                |
| 00264                | Asserachrom sEPCR                    |
| 00616                | Asserachrom TAFIa/TAFIai             |
| 00945                | Asserachrom Total Protein S          |
| 00261                | Asserachrom Total TFPI               |
| 00948                | Asserachrom tPA                      |
| 00491                | Asserachrom VIIa-AT                  |
| 00955                | Asserachrom VII:Ag                   |
| 00280                | Asserachrom VIII:Ag                  |
| 00942                | Asserachrom VWF:Ag                   |
| 00239                | Asserachrom VWF:CB                   |
| 00919                | Asserachrom VWF:FVIII B              |
| 01138                | Asserachrom VWF:FVIII B              |
| 00956                | Asserachrom X:Ag                     |
| 86924                | Collagen                             |
| 01004                | Cy-Quant™ Elisa sCD146               |
| 01076                | Cy-Quant VASP/P2Y12                  |
| 01076-US             | Cy-Quant VASP/P2Y12                  |
| 00870                | Facteur XIII Réactifs                |
| 86197                | FluCa Kit                            |
| 00374, 00375 & 00376 | Néoplastine CI Plus (2), (5) & (10)  |
| 00452                | Platelet PAIg                        |
| 00449                | PLT Vasp/P2Y12                       |
| 00449-US             | PLT Vasp/P2Y12                       |
| 38640                | Procold T2                           |
| 00308 & 00310        | STA - Cephascreen (4) & (10)         |
| 00975                | STA - Desorb U                       |
| 00992                | STA - ECA II                         |
| 01108                | STA - ECA II                         |
| 00649                | STA - Liatest FDP                    |
| 00311 & 00322        | STA - Liquid Anti-Xa (4) & (8)       |
| 00311US & 00322US    | STA - Liquid Anti-Xa (4) & (8)       |
| 00673                | STA - Liquid Fib                     |
| 00606 & 00667        | STA - Néoplastine CI Plus (5) & (10) |
| 00665                | STA - Néoplastine R (15)             |
| 01163, 01164 & 01165 | STA - NéoPTimal (5), (10) & (20)     |
| 00346                | STA - Stachrom TAFI                  |
| 01140                | STG - ThrombiClean                   |
| 01280                | STG - ThrombiClean                   |
